AFFIRMATIVE PROCUREMENT TRAINING

2025

ENVIRONMENTAL PROTECTION AGENCY (EPA) GUIDELINES

2015

- Every GPC Cardholder is required to adhere to the

Affirmative Procurement Program

- Compliance with Affirmative Procurement Executive Order 13101 is required at all dollar levels
- Agencies are required to purchase recovered materials for EPA-designated items

Definitions

120NS

- Environmentally Preferable
 - Products or services that have a lesser or reduced effect on human health and the environment when compared with competing products or services that serve the same purpose

Definitions

1200NS

- Affirmative Procurement
 - The process of purchasing environmentally preferable products manufactured from recycled and reclaimed materials
 - USAF acquisition of recycled materials is based on Environmental Protection Agency (EPA) procurement guidelines for purchasing recovered materials

Misconceptions

1200NS

- Recycled content products are inferior
- Environmentally preferable products always cost a lot more
- These products have limited availability
- Manufacturing recycled content products uses more energy than manufacturing products made of virgin materials

TRAINING, EDUCATION, AND TUITION ASSISTANCE
